

Cedar Grove Cemetery

A Quiet Place on the Banks of the Neponset River

2018 Spring Plantings

The greenhouse staff of Cedar Grove Cemetery is pleased to announce the offering of gravesite plantings again this year. The flower bed will consist of geraniums and a combination of border plants. The planting bed will be fertilized and watered, whenever manpower is available. We have been fortunate in past years that our plantings have stayed looking nice until fall. The prices for this service, including sales tax, are as follows —

12" x 24" size planting bed — \$100.00

12" x 36" size planting bed — \$125.00

If you wish to plant and maintain your own flowerbed, you may purchase flowers at our greenhouse, located on the grounds of the cemetery. The greenhouse opens to the public about two weeks before Memorial Day. The flowers are reasonably priced and beautiful. Drive up and take a look. It's easy to find, just enter the cemetery through the main gates, stay to the left and follow the signs.

A Reminder — Kindly call the Office or check our web site for the date of this year's Annual Memorial Day Mass.
