*A Quiet Place on the Banks of the Neponset River*

## Christmas Wreaths

OUR CHRISTMAS WREATHS are a traditional classic made of real evergreens and decorated with a red velvet ribbon bow by our greenhouse staff. Each 12" wreath is created (and placed on a grave if desired) for \$45.00.

Christmas wreaths are also available for purchase at our greenhouse located on the grounds of the cemetery. It's easy to find, just enter the cemetery through the main gates, stay to the left and follow the signs.
