Spring Plantings for Lots and Graves

IN THE SPRING OF EACH YEAR, the Cedar Grove Cemetery Greenhouse staff offers gravesite plantings. The flower bed will consist of geraniums and a combination of border plants. We have been fortunate in past years that our plantings have stayed looking nice until fall. The prices for this service are as follows —

12" x 24" size planting bed — \$115.00

12" x 36" size planting bed — \$140.00

For those of you who wish to plant and maintain your own flowerbed at the Cemetery or for planting in your own garden, you may purchase flowers at our Greenhouse located on the grounds of the Cemetery. The Greenhouse opens to the public on Mother's Day weekend and will be open while supplies last. All of our flowers are grown from seed in our Greenhouse by our staff and are reasonably priced. The Greenhouse is easy to find, just enter the Cemetery through the main gates, stay to the left and follow the signs. Thank you for supporting our Greenhouse planting program.
